COLLECTION

Shedir Collection, a collection of five star luxury boutique hotels takes its name from the name of the constellation Cassiopea with its stars resplendent in the sky.

Shedir is synonym of true Italian hospitality where world-class contemporary architecture and luxurious residential interiors evolve into uniquely elegant hotels offering sincere, spontaneous and highly- personalized service.

Bonded together by a common silver lining of incredible locations, authenticity, art & design, together with the most dedicated and welcoming hospitality, each of the properties of Shedir Collection has a soul and personality of its own.
